Supply is limited, so discounts are subject to change - once we sell out, they're gone!

**IMPORTANT: PLEASE READ:** There's no catch - we get these certificates from the restaurant as partial payment for promoting them. They are signed and issued by the restaurant owner; but we are the ones giving you the discount. You can use them on all days and you can use more than one certificate per visit. However, we can't fax or email them. They are original certificates that are mailed or picked up from our office. First class mail usually takes 1 to 2 days. \*Debit cards allow you to leave a balance on the card for future use. We are not responsible if you hold onto the certificate for more than 5 months and the restaurant goes out of business. If they go out of business within 5 months of purchase, you may exchange certificates, but there is a fee of 5% of the price.
