over \$101,000!

How much have you saved?

Purchase restaurant certificates directly from us at

15% - 60% OFF!

Here's how it works:

- 1) You choose the restaurants you want to go to
- 2) You pay us the price under the "You Pay" column and we give you a certificate for the price under the "You Get" column

For example, you want to go to Mendy's in Manhattan.

You pay us \$35 and we give you a \$50 Mendy's certificate to use - saving you 30%

These are regular certificates that you can ordinarily buy from the restaurant - we just sell it to you at a discount.

Supply is limited, so discounts are subject to change - once we sell out, they're gone!

For all who think this is too good to be true: There's no catch - we get these certificates from the restaurant as partial payment for promoting them. They are signed & issued by the restaurant owner; but we are the ones giving you the discount. You can use them on all days and you can use more than one certificate per visit. However, we can't fax or email them. They're original certificates that are mailed or picked up from our office. First class mail usually takes 1 to 2 days. Not responsible if you hold onto the certificate for more than 5 months and the restaurant goes out of business. If restaurant goes out of business within 5 months of purchase, you may exchange certificates, but there is a fee of 10% of the price. *Debit cards allow you to leave a balance on the card for future use.
