RCBC-CHOLOV YISROEL

FAQ

Why does Mocha Bleu as a dairy restaurant have a special menu for the nine days?

Great Question! The nine days is the busiest time of the year for us. We usually have a 6 page menu consisting of hundreds of items. In order for us to speed up production and for our kitchens not to get backed up we have condensed our menu with our best selling items and have NOT changed our prices.

BEVERAGE MENU
