Supply is limited, so discounts are subject to change - once we sell out, they're gone!

**PLEASE READ:** There's no catch - we get these certificates from the restaurant for promoting them. They are issued by the restaurant; but we are the ones giving you the discount. You can use them on all days and for the most part, you can use more than one certificate per visit. Not to be used for restaurant delivery order. Most can be emailed and the others can be mailed or picked up from our office. Debit gift cards allow you to leave a balance on the card for future use. We will try our best to email the certificates the same day it was ordered but due to time constraints and scheduling, we reserve the right to email them the next morning. We are not responsible if you hold onto the certificate for more than 5 months and the restaurant goes out of business. If they go out of business within 5 months of purchase, you may exchange the certificates for a 10% fee. We reserve the right to limit quantities.
